Simon Alarm System Bulletin

ATTENTION

SIMON ALARM SYTEM OWNERS:

IF your wireless alarm panel has a large **Emergency** button in the center, GE is no longer supplying replacement parts and/or sensors for your system.

SAFE-N-SECURE recommends updating your system so we can continue to offer you service and support.

Any out of warranty support for you system will be billed at standard rates.

Please contact Mike or Jared at 605-543-5068 with any questions.
